About this safari

Witness the world's greatest wildlife spectacle — over 2 million wildebeest, zebras and gazelles surging across the Serengeti in their annual cycle. This 7-day expedition puts you at the heart of the action: waiting at the Mara River crossings, tracking predator hunts at dawn, and returning to a luxury tented camp as the savanna turns amber at dusk.

Your private guide is a third-generation Maasai ranger who reads the land like a map. Small groups (12 max) mean you're never in a convoy — just you, your safari vehicle, and the wild.

Day-by-day itinerary

1

Arrival in Arusha

Welcome briefing with your guide. Transfer to Arusha lodge. Equipment check and safari orientation over sunset dinner.

2

Serengeti Central — game drives

Fly to the Serengeti (Seronera). Afternoon game drive through the central plains. First big cat sightings: lions, cheetahs and leopards.

3

Northern Serengeti — Mara River

Drive north to the Mara River. Wait at the crossing points for the thunderous wildebeest crossing — the most dramatic moment in nature.

4

Full day Mara River crossings

Full day at the river. Optional sunrise balloon flight over the migration (add-on). Sundowner drinks on the savanna at dusk.

5

Ngorongoro Crater descent

Drive to Ngorongoro. Descend into the world's largest intact volcanic caldera — a natural Noah's Ark with all Big Five within sight.

6

Crater & Maasai village

Morning game drive in the crater. Afternoon visit a traditional Maasai boma — hear stories, share tea, learn about life on the plains.

7

Departure

Final breakfast, farewell, and transfer to Kilimanjaro Airport. Your Africa story is just beginning.
